August 2014 Update

Summer Work Teams

Praise the Lord for His artisans who will give of their time to come make Eagle's Nest a place of

beauty and function! We were able to purchase all of the carpet for the remainder of the downstairs for \$3739, and the Steffans came to install it in just two long days!

Jon and Heidi Bergman and family from St. Joseph, Michigan, blessed us by returning to continue working on the stone veneer on the front of the building. It's really looking great! We enjoyed sweet fellowship with them, too!

Mike Biernatt and Jim Sheldon came from Davison,

Michigan, and put in six long work days finishing up many smaller tasks such as doors, doorknobs, lights and many feet of baseboard with complex corners!

Summer Interns

Jeremy Fisher came from South Carolina for the summer to help out wherever needed. He is now a freshman at International Baptist College in Chandler, AZ, preparing to serve the Lord with his life!

Hannah Balasa came from Indiana for the month of June and helped a lot with preparing the horses for Camp Utibaca's summer program, which will continue to be a ministry of Eagle's Nest.

The Board of Trustees

Our Board of Trustees met again in August to work together on policies and procedures. We praise the Lord for these godly men and their leadership. (L to R: Jonathan Edwards, Greg Schnabel, Ron Steege, Ron Ehmman, John Innes, Shannon Siedschlag)

From the Director

I would like to start off by saying that I am both honored and excited to be a part of what The Lord is doing here at Eagles Nest. Since my first visit here last October, I have been very impressed with the work that the Lord has done. It seems that there is no end to what He is willing to do here. Truly, we serve a big God!

In the short time that I have been here, a lot has happened. We have seen the immense generosity of The Lord's people through gifts and financial support as well as volunteer work; we have seen the building progress to the point that it is almost ready; we have been working furiously on preparing the program itself; and we have seen some great folks step forward with a sincere desire to be a part of what the Lord is doing here. In short, what we have seen is our God being God! To all of you who have been a part of this work, we all thank you.

Something else that we have seen more and more is the tremendous need for this ministry for some sorely hurting families whose teenage sons are walking a perilous path. We have been offering help from the sidelines, but we long to actively attend to the needs of these families at this facility. Our hearts' desire is that we will be operational this fall, but in order for that to be a reality there is still a lot of work to do.

One of our biggest needs is qualified staff. We are looking for Godly men and women who can come and join the staff here at Eagle's Nest. If you feel that the Lord may be calling you to come to this part of the vineyard, please contact us. An office manager, program assistants, night supervisors, maintenance help, and kitchen help are needed.

*Some other needs that we have include: **vehicles (15 passenger van, 4-door pickup & a passenger car), counseling material, library books and media, multi-media equipment, desks, outdoor and sports equipment...etc.** Would you please consider partnering with us from where you are by helping us through donation? We are also praying for scholarship funds to help students who would not otherwise be able to come.*

I am praying for you,

Greg
